

# Make every customer experience in your store a great one!

- **Engage customers better in store**
- **Get real-time, location-based customer insights**
- **Up-sell, cross-sell, add to your loyalty program**

Know'N'act can transform your customers' experiences at your retail locations. Know'N'act provides insights that you can convert into business opportunities including couponing, up-selling, adding to your loyalty program and more.

Know'N'act is a cloud-based, highly secure system that is easy to use and deploy and starts working immediately for you. With know'N'act, you can identify and respond to customer issues as they happen, in person or via text, phone, email or an automated response on customers' devices.

Don't let another customer walk out from your store with a bad experience again!
